August 15th, 1975.

Dear Mr. Newman,

Thank you for your letter dated August 11th received this morning, together with your cheque for \$146.25 for the tavern till we advertised in the Collectors Guide magazine.

I am happy to say that this is still available and I am enclosing my receipted invoice herewith.

Regarding arrangements to get the tavern till to you. Unfortunately, although it does not weigh over 22lbs, the maximum weight the British Post Office accepts, it does however exceed the size limit. The maximum size cannot be greater than 6'7" length and circumference combined, and with sufficient packaging around the till, it does exceed these dimensions. I shall therefore make arrangements for the tavern till to be delivered to the address of your friends, A.H. Baldwin & Sons Ltd, of 11 Adelphi Terrace, London, WC2N 6BJ as you suggested in your letter.

I am sending you copies of our catalogues "M": "T": and "S" which I hope you might find interesting. If you would like to receive photographs of any items you feel you might be interested in, please do not hesitate to let me know and I shall send them to you by return air mail.

Once again thank you for your order, I do hope that you are pleased with the till when you receive it.

Yours Sincerely

S. D. Lloyd (Mrs).
